And so do Bud & I. We totally understand. Thanks to all. Now, when can Bud & I have lunch? We have important things to discuss, like USC's upcoming football season, the weather, and such...

Hi Elsie,
How are you? I hope well. Do you still manage Mr. Duckworth's calendar? If so, I didn't get a confirmation that he recieved this cancellation notice. Can you assist? Thank you.

Good morning Mr. Duckworth,
I hope your day is going well. I regret that Mr. Ovrom is no longer available for lunch tomorrow. He is scheduled to appear before the Economic Development Committee regarding LACC's Governance Ordinance. I'll get back to you on some additional dates shortly.
